To Nelson Mandela

How do you do? We're fine. We want to congratulate you on your seventeenth birthday and **we want you free**, as soon as possible.

are people allowed to visit you in prison; family or friends?

Last Saturday (11-6-88) there was a big concert with many popular artists, and there were over 60 countries where it was broadcast. **They all want you free.** It was great to watch it. Especially the fact that many people were busy **fighting for you.**

If you are not set free, we will come and free you, personally!!!! If it is possible, please write us back.

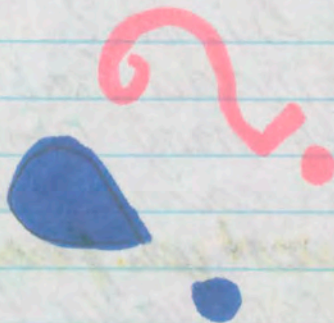

Could you please tell us how life in prison is. are you allowed to go outside?

We have heard that you have a wife and two daughters. How are they? ~~Please~~ Please send them our kindest regards.

Many greetings

DEAR Nelson Mandela

Congratulations with your birthday.

My name is Roelfina Brugman

I'm a white girl of fourteen years old and I live in Haaksbergen in Holland.

I and my family are against Apartheid.

I think that white and black people should live together.

I have a white friend and her mother comes from South-Africa.

My friend is afraid that the police will put them in prison. (Her family in South-Africa)

The 11th of June there was a pop concert especially for your birthday.

But I haven't seen it because I was not home that day.

But everybody said that it was beautiful.

Our school is doing an action for you.

And we all hope that you and all other prisoners and children are free at your birthday.

Will you write back?

Many wishes

And love from
Roelfina Brugman.
